

Introduction

Firstly we would like to thank you for requesting a copy of our training prospectus.

At Beautiful nails we have our own unique training school where we hold a number of different training courses to suit your needs from beginner courses to advanced.

The team have been in the nail industry for over twenty years, during this time we have spent many years manufacturing and tailoring one of the finest nail systems in the world along side building a nationally recognised training school.

Our nail systems are used throughout the UK and Europe by professional nail artists on a daily basis, it is from our clientele support and feedback that we have had gained the capability and knowledge to become a big player in the industry.

Our aim at Beautiful nails is to treat each and every customer as an individual, providing you with the very best of services, the finest possible products, at the most competitive prices around.

At Get Beautiful nails we are fully committed to providing an excellent customer service, innovation and excellence.

Because we listen to our customers and students we know the importance of giving a professional service and product that people want and need.

Right Course Right Training

When choosing your course there are a few important bits of information you need to ask your provider

- How long have the company and trainer been teaching for and who trained them.
- What is the back up service they provide and how much will it cost you.
- Do they have teaching training certificate
- Can they supply you with supplies after you have finished the course.

Uniqueness

We are unique in that all it's students have a tailor made course that fits their time and requirement. There is no need to wait for courses to start or finish, or the disappointment of courses not running due to lack of numbers

Back-up (FREE TRAINING FOR LIFE)

With continued back up as and when/or if needed you can be assured you get the best start possible.
